UNION

Mutual Life Insurance Company,

of Portland, Maine.

Incorporated 1848. JOHN E. DeWITT, President.

THIS old established Company issues policies of the most liberal character which are framed so as to provide for every contingency that is likely to arise.

The Non-Forfeiting Free Tontine policies provide not only insurance protection, but they present opportunities for investment—owing to the method of distributing the surplus—which make them a very desirable form of policy.

The Union Mutual has paid to its Policy-holders and their heirs Twenty-six Millions of Dollars.

It is the only Company whose policies are or can be subject to the Maine Non-Forfeiture Law; send for list of claims paid thereunder and explanatory pamphlets.
